Thursday 19<sup>th</sup> March 2020

Dear Parents

We are sorry to announce that we will need to close Minet Infant & Nursery School to everyone except children of key workers and vulnerable children from Monday 23<sup>rd</sup> March. This is following government advice as part of the country's ongoing response to the coronavirus. We are awaiting the criteria for key workers and vulnerable children and will contact those families separately.

We will also be in contact with other families that meet the criteria for additional support.

The children will be told that we are starting the Easter break early.

Along with this letter, we are sending home guidance for each year group with ideas on how you can continue to support your child at home. We will also set up pages for each year group on our website where we will continue to provide ideas and suggestions. There will be live links to websites we recommend and we will also keep communicating with you via our Twitter page (@minetinfants). Do please go to the sites regularly.

We wish to thank all of our community for the support and kindness you have continued to show us, especially during these last few weeks. This is an anxious and challenging time but we will be thinking of you all and looking forward to welcoming you back once we are able to resume normal procedures.

Do take care.

Catherine Veale  
Headteacher
