Dear Miss/Mr.....,

I am writing this letter to tell you that I really appreciate all the support you have given me in year 2. I still remember one lesson where you told us about your hopes for your future when you were my age.

I missed the school and all my friends but I am really looking forward to year 3 and going back to school in September.

Your encouragement and support in year 2 has taught me that I can get through anything and not to be afraid of year 3.

Thank you and I do hope you have a great summer.

From.....
