

Half Term Activity Jar/Box

Can you decorate a jar or box to make your very own half term activity jar/box? You could then print this sheet, cut out the activities and pop them into your new jar/box. Each day, you could pull out one or two of the activities to carry out at home. You might want to add in some of your own ideas too.

Make flower/leaf prints	Learn to count to ten in a new language	Play a board game	Build a house out of cards	Put on a magic show
Play a new sport	Write out a recipe for dinner and help to cook	Help with the gardening	Create a piece of art out of things you have found outside	Make your dinner table into a restaurant
Make your own board/card game	Make a card for a friend or family member	Play a game of bingo	Play a card game	Have fun washing the car
Make a treasure hunt in your home or garden	Write a story and illustrate it	Make up a dance to your favourite song	Do a puzzle	Make your living room or bedroom into a home cinema
Make a superhero outfit out of things you have at home	Go on a bug hunt outside	Make friendship bracelets	Write a letter to someone you miss	Have a picnic outdoors or in your living room
