

## Maths

**Key areas:** Money, Time, Calculation

**Children will learn to:**

- Use coins and notes to make different amounts and solve problems.
- Recognise time to the closest 15 minutes using 'quarter past' 'quarter to' 'o'clock' 'half past'.
- Solve problems with numbers to 100 using the four operations: addition, subtraction, division & multiplication.

## WOW!

We are hoping to have a trip planned later in the year when it is safe to do so.

## English

**Key Texts:** Grandad's Island, Gregory Cool, The Lighthouse Keeper's Lunch

**Genres:** Story writing, stories from other cultures, letters, diaries, leaflets/posters/brochures, recounts.

## How does it feel to live by the sea? Year 2 Summer

## SMSC

Linking our Seaside topic to school value: enjoy learning about oneself, others and the surrounding world; culture differences.

## History

**Florence Nightingale and Mary Seacole**

In History we will be studying and comparing the historical figures Florence Nightingale and Mary Seacole. The children will learn about their work and significance in history.

## Science

**Living Things and their Habitats**

In Science we will be studying animals and their habitats. We will look closely at microhabitats and then habitats around the world.

## ICT

**Coding**

Children will learn to use the keyboard as a computer input and learn to move fairy tale characters using different keys.

## DT

**Shoebox habitat design**

In DT the children will be planning, designing, making and evaluating their own habitat design.

## Music

In music the children will be comparing music from different cultures and experimenting with body percussion.
